**DO IT WITH US!, zine workshop with viewing of the exhibition**

**We will be making our own mini art booklets in the techniques of collage, stencil printing, painting and drawing at the workshop.**

Collage: Joanna Klepadło.

The workshop will be conducted by artists **Nika Rupnik**, a postgraduate student at the Academy of Fine Arts and Design in Ljubljana, and **Joanna Klepadło**, a postgraduate student at the Nicolaus Copernicus University Faculty of Fine Arts in Toruń, Poland.

Children from the age of five to twelve, as well as accompanying adults, if they so wish, may participate in the workshop.

Additionally, a special animation hand-out to accompany the exhibition has been prepared for families, which is tailored to viewing the exhibition individually (available at reception).

What is more, the Bežigrad Wind Orchestra will also be performing on the Tivoli Promenade on Sunday, 21 May, from 11.00 to 12.30. So there is no shortage of ideas of what to do in Tivoli on Sunday!

Welcome!
